

Bricks, pavers and benches still available for Memorial Park

Individuals, municipalities or organizations are still able to honor Ohio's public safety officers by purchasing inscribed bricks, pavers or benches for the Ohio Police and Fire Memorial Park.

The park, adjacent to OP&F headquarters in Columbus, was dedicated in April 2004 and honors police officers and firefighters who have died in the line of duty. To date, more than 300 bricks and pavers, and six black granite benches are permanently located in the park, honoring these fallen heroes.
